**Your word *is* a lamp to my feet  
And a light to my path.  
Psalm 119:105**

## We All Need A Guide

By: Aaron Cozort

Have you ever imagined what it would be like to be blind – to always see nothing but blackness? How disorienting that must be. How great a struggle to go through each day and operate in this world. The simplest of tasks become monumental. The difficulty of safely operating a device like a toaster or a stove; cooking an egg; making a cake.

This concept is important to realize what a journey through life would be like without the Word of God; the divine revelation.

Your word is a lamp to my feet And a light to my path. I have sworn and confirmed That I will keep Your righteous judgments. Psalm 119:105-106

Jesus Christ and His Gospel were the light God sent into the world. Without Him, we are going through this life with our eyes wide open but lost completely in darkness without any light at all.

In Him was life, and the life was the light of men. And the light shines in the darkness, and the darkness did not comprehend it.

There was a man sent from God, whose name was John. This man came for a witness, to bear witness of the Light, that all through him might believe. He was not that Light, but was sent to bear witness of that Light. That was the true Light which gives light to every man coming into the world.

He was in the world, and the world was made through Him, and the world did not know Him. He came to His own, and His own did not receive Him. But as many as received Him, to them He gave the right to become children of God, to those who believe in His name: who were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.

And the Word became flesh and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth. John 1:4-14

Walking in this world without Jesus Christ and His Gospel would be both a monumental task and a hopelessly futile effort.

It is time to relinquish our desperate grasp on man's knowledge of this life and open our eyes to see what the Wise see—that is, what is seen by those who are open to hearing the message of Jesus Christ and living it out in their lives.
